IHMS 160 & IHMS 260

Motion 1: To amend the course outlines for IHMS 160 and IHMS 260 to reflect a pass/fail evaluation

Moved by Aruna Gore, 2nd by John Chenoweth

CARRIED

Discussion: When the courses were approved in 2018, they were done so with NVIT's standard evaluation procedure, which includes assignments and a final exam. Given that both are practicum courses, Sue Sterling has requested that the evaluation procedure be amended to reflect Satisfactory or Unsatisfactory (Pass/Fail) rather than a grades. The recommended changes align with evaluation procedures in the Social Work practicum courses.
